Teacher Access and Authorization (TAA)

First Time Users
Before accessing TAA users need to create an account. Please watch our [Account Creation Video Walkthrough](#) for guidance on creating a new account. [More information...](#)

TAA Systems/Applications

ePMF
The new online Personnel Master File, ePMF, collects data submitted by teachers such as the sections they teach, including class assignment, grade level taught, and years teaching. [More information...](#)

Teacher Student Roster Verification System
This system is used to verify district/BOCES/charter school reported roster data for teachers and principals outside of NYC. [More information...](#)

This system is used by non-NYCDOE teachers and principals to view reports for state-provided growth measures. You can access the secure Online Growth Reporting System at <https://ny.growth.airast.org>. [More information...](#)

- When you return to the TAA login page, create a password. The password must contain a minimum of eight characters, including at least one capital letter, one, lower case letter, a special character, and one number. Passwords expire every six months.
- Select two security questions and enter responses to each using answers you are sure to remember. Security questions are case sensitive. The security questions will be used to verify your identity if you forget your password. **It is a good idea to store your answers to the security questions in a secure place. If you forget your password and security question answers your account will need to be reset. NYSED cannot assist with password and security question recovery.**
