

# ***Back To School Art Supplies!***

Dear Parents,

With much uncertainty still remaining for this Fall, it is looking like the best option will be for student's to purchase a few basic items dedicated specifically to Art class. Although we don't yet know what class will look like, early preparation could allow you to take advantage of back to school supply sales during the summer. Please provide individual supplies for each child that you have enrolled at Parkdale Elementary. We all recognize that these are unprecedented times. If you have questions or difficulty please contact the school or myself. Thank you in advance.

**Please note - If your items differ slightly from the list that is fine. You possibly have many of these items already around the house. They do not need to be brand new or complete sets if that presents difficulty. Remember, we are all just doing the best that we can.**

Sincerely, Ms. White (mwhite @eak12.org)
